"Interning in Washington, D.C. for Congressman Jerry Moran was an experience that I will always hold dear to me. Not only was I able to gain a working knowledge of the legislative process and the actions of Congress, but I was also able to serve with pride the people of Kansas. An internship with Congressman Moran is an unforgettable event and I would strongly encourage anyone interested to apply."

The work that I did as an intern showed me how much work goes into developing legislation that benefits the lives of Kansans and has inspired me to pursue a future in public service."

“Working in an environment where people put Kansans first was the most rewarding part of my internship. As an intern, I was able to communicate with Kansans and provide assistance to Congressman Moran and his staff. I will always value the knowledge I gained while working in Congressman Moran’s Office.”

Intern, Summer 2009

“Spending the summer working for Congressman Jerry Moran allowed me to witness first-hand the true dedication and hard work necessary to enact public policy and properly serve Kansans from Washington. I was immediately immersed into the daily tasks and inner workings of the office. As an intern, I was assigned a variety of projects, gave Capital tours, and worked directly with fellow Kansans. Congressman Moran’s staff exceeded all of my expectations, as did he.”
